Mutual Life Ins. Co.,

OF NEW YORK. ASSETS, over \$16,000,000.

To meet the choice of such present or future members as may prefer to have the amout insured paid in instalments to their widows or heirs rather than in one sum, this Company is prepared to insert in its policies a clause agree ing that in lieu of the payment of the policy and profits in one sum, an equitable amount, to be d termined by the Company, may be paid annually or semi-annually for any specified number of years, (say from five to twenty-five

EXAMPLE.—Suppose a policy of \$10,000, with additions amounting to \$5,000 more, should become payable by reason of the death of the person insured, the Company, in lieu of the payment of \$15,000 in one sum, would be able to give (assuming interest as realized in the past) an annuity for ten years of over \$2,000 per annum, or for twenty years an annuity of over

thus to a certain extent, becomes the guardian or trustee of the survivors. Hence the provision may be considered, humanly speaking, beyond any adverse contingency.

All such deferred payments or annuities will share equ tably in the profits or dividends

of the Company. This Company also issues Survivorship Annuities, which provide for survivors during the whole period of life, and Deferred Annuities, by which individuals may provide for themselves

in advagced age.

F. S. WINSTON President.

The undersigned begs to call the attention of those who desire to make provision for their families, to the advantages offered by the above MAGNIFICENT INSTITUTION. There is no way in which a small sum of money can be so profitably and securely invested, for such a purpose, as in a policy on your life. FORTY-FIVE CENTS a week will insure \$1,000 on the life of a man aged 30, and the payment of a single premium secures (and at once) a very much larger sum than the investment of the same amount could possi-bly do in the ordinary operations of trade. The owing descriptions of Policies are issued by paid yearly, half-yearly, or quarterly, at the

option of the party assured: 1st. LIFE POLICIES, for the whole term of life, payable, together with the dividend additions, after the death of the party assured, to the per-

son entitled to receive the same. 2d. ENDOWMENT ASSURANCE POLICIES .-These are issued to persons desirous of making provision for advanced life, or any other purpose, he Board was not prepared to say. Two of he patients had died."

A Prussian hospital was recently fitted up his dare payable together with accrued dividends on same, to the assured party, on attaining a certain age, say 40, 45, 50, 55, 60 or 65, or in case of his death before arriving at that age, to his heirs

3d. Endowment Policies for Children payable when a child attains the age of 18, 21 or 25, or upward, either with or without the return of the total premium paid, in case the party as-

sured does not attain the specified age.

4th. Survivorship Annuity Policies, by which an insurer may secure to a surviving nominec, whether wife, parent, child, or friend, the enjoyment of a certain definite and permanent income for life, free alike from the dangers and expenses of investing money and from dependence upon persons who may perhaps prove injudicious or adversely interested.

All policies issued by this Company participate in the surplus, the whole or which will be ANNUALLY DIVIDED, in the most equitable manner, among the Policy-holders.

A MODERN MIRACLE! From old and young, from rich and poor,

from high-born and lowly, comes the Universal Voice of Praise for HALL'S VEGETABLE SICILIAN HAIR RENEWER.

It is a perfect and miraculous article. Cures baldness. Makes hair grow. A better dressing than any "oil" or "pomatum" oftens brash, dry and wiry hair into beautiful silken tresses. But, above all, the great wonder is the rapidity with which it restores GRAY HAIR TO ITS ORIGINAL COLOR

Use it a few times, and PRESTO, CHANGE! the whitest and worst looking hair resumes its youthful beauty. It does not dye the hair, but strikes at the root and fills it with new life and

coloring matter. It will not take a long disagreeable trial to prove the truth of this matter. The first application will do good; you will see the natural color returning every day, and before you knowit, the old, gray, discolored appearance of the hair will be gone, giving place to lustrous, shining and beautiful locks.

Ask for Hall's Sicilian Hair Renewer; no other article is at all like it in effect You will find it cheap to buy, pleasant to try, and sure

to do you good. There are many imitations. Be sure you procure the genuine, manufactured only by R. P HALL & CO.,
